

PUERTO PLATA

A MIX OF DOMINICAN CULTURE, NATURE AND ADRENALINE

Nestled between a towering mountain and the pristine Caribbean Sea, Puerto Plata combines old colonial charm and the exuberant nature of a tropical Caribbean destination. While the area's white and golden beaches are clearly the main attraction, they're just part of the reason why this is a wonderful beach destination. Visitors come for the local Damajagua cascades, the Ocean World water park and the Christ the Redeemer statue atop Isabella de Torres mountain, reachable by cable car, as well as colonial architecture dating back to Christopher Columbus' arrival.

There are also plenty of activities outside the city, with safari expeditions and exciting all-terrain vehicle adventures across forested mountains. For more laid-back experiences, there are horseback rides for a more peaceful outdoor adventure, as well as jaunts throughout the mangroves of Cayo Arena sandbar. Your clients will have the best time in the Caribbean sun in Puerto Plata any time of year!

CAYO ARENA

Relax at the sandbar of Cayo Arena, nicknamed Paradise Island, where you'll feel heaven at its white sands and then snorkel in its clear, aquamarine waters before enjoying a buffet lunch.
