

### ONLY IN VEGAS

The Secret Garden & Dolphin Habitat – The Mirage

Only in Vegas can you take in the glow of thousands of neon lights, then traverse to the beautiful lush foliage in Siegfried & Roy's Secret Garden and Dolphin Habitat. Located inside The Mirage, gaze upon gorgeous lions, tigers and leopards, then reserve your seat to see dolphins play with their trainers.

### THRILLS

The bigger the sandbox, the bigger the toys. Play on big bulldozers, excavators and steers at Dig This Las Vegas. Operate real construction equipment as you wheel around this one-of-a-kind amusement park. Children as young as 4 can tag along on kids' dig rides for fun that the entire family can enjoy.

### OUTDOOR ADVENTURE

Get some fresh air and get up close to the natural beauty of Black Canyon with an exciting raft tour on the Colorado River. This beautiful gorge is located just below the Hoover Dam, making it an exhilarating and educational adventure. Or take advantage of the full-service and tent camping sites at Willow Beach and become one with nature.

### SHOWS

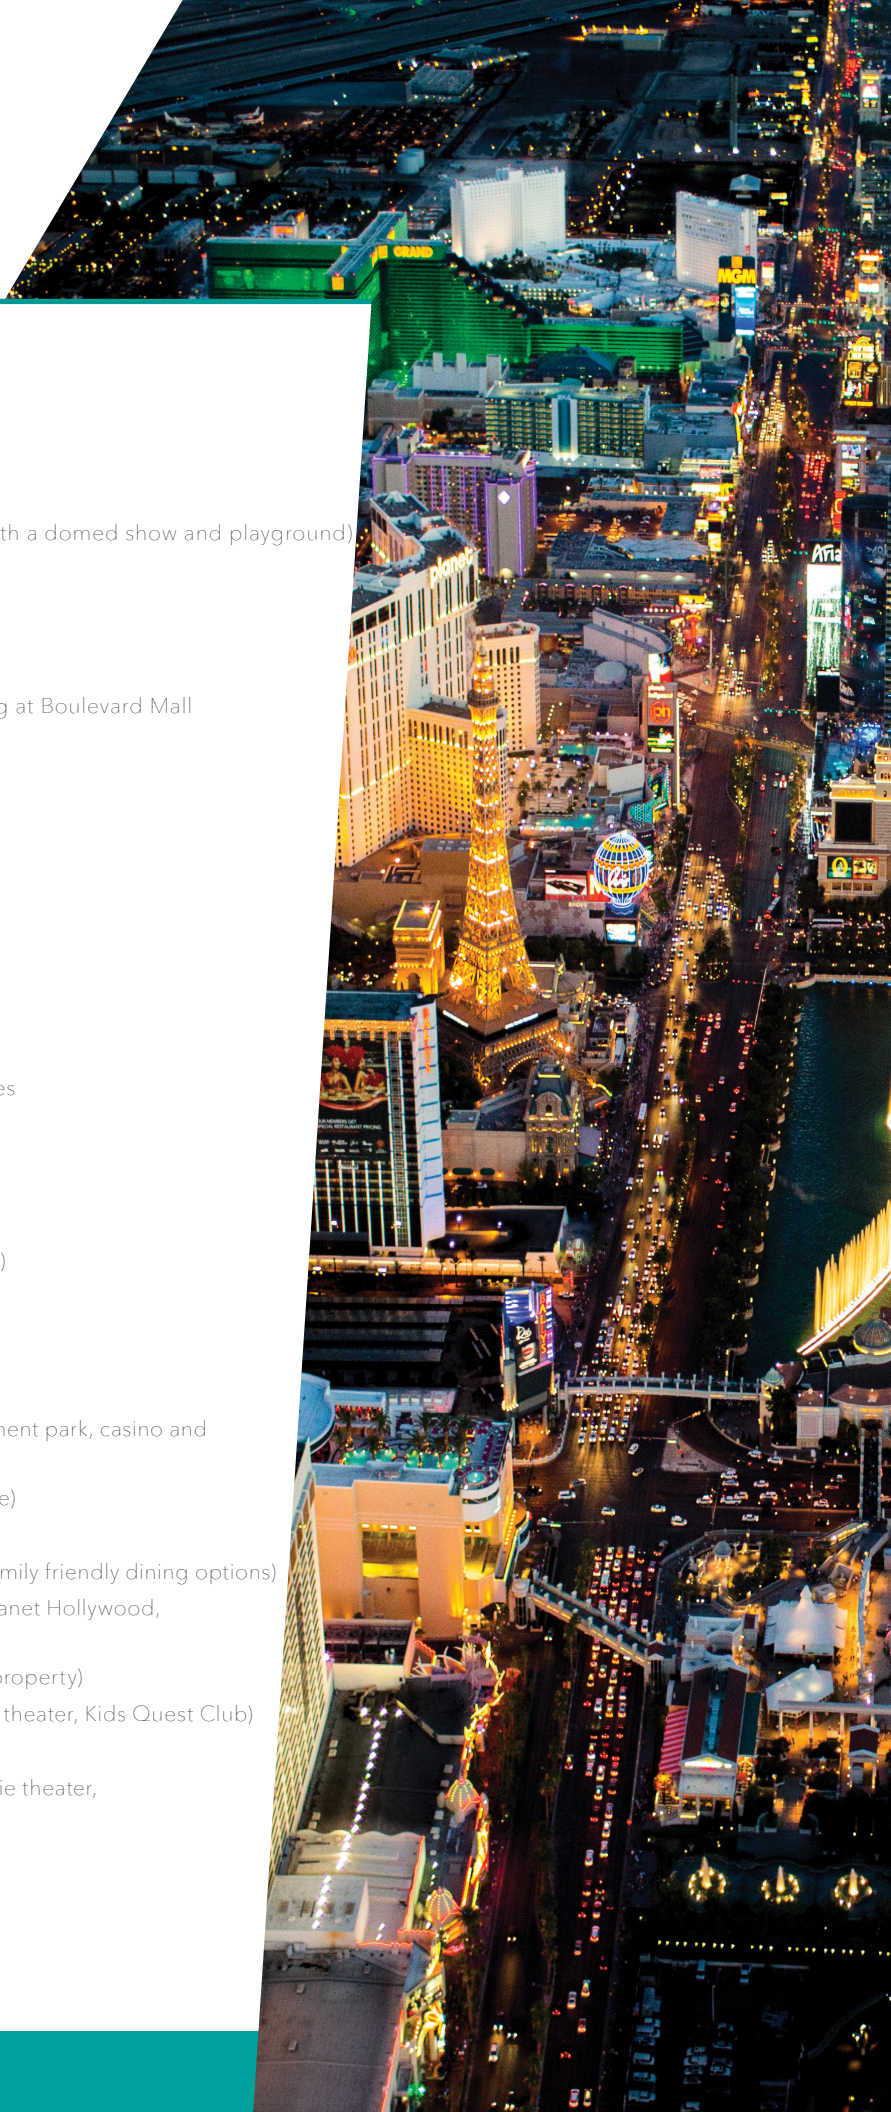

Las Vegas is all about remarkable entertainment, and it isn't short on amazing shows for the whole family. Be wowed by magic with Mat Franco at The LINQ or see world-class synchronized swimmers at "O", a Cirque du Soleil production at the Bellagio. Head to The Venetian to dance along with Australia's doo-wop group, Human Nature, and see the iconic Blue Man Group at Luxor.

### TOURS

The wildest thing in Vegas won't be found on the Strip. Call up Pink Adventure Tours and discover the vast wilderness just outside the city limits. Visit the desert landscapes of Red Rock Canyon or fly over in a helicopter over the Grand Canyon. Then make a stop at the Hoover Dam and get an insider's look at the historic power plant.
